**Guidelines for Excused Absences for Students Taking Non-School Educational Tour or Trip**

1. This form must be submitted to the school a minimum of five days prior to the trip (except in an emergency). Parents/Guardians will be notified in any case in which the request is denied.
2. No more than five school days per student will be approved for educational trip/tour requests in any school year. (Special requests with unusual circumstances or exceptional opportunities for learning should be discussed personally with the principal well in advance of the requested dates for absence.)
3. Unless there are extraordinarily unusual or emergency circumstances, such requests will NOT be approved during 4Sight testing (dates on school calendar), when a student has accumulated an excessive number of unexcused absences, or when the student is in academic jeopardy.
4. All schoolwork missed during the trip/tour must be made up at the initiation of the student immediately upon returning to school. Teachers are not required to provide work prior to the trip.
5. Days that are not approved for an educational trip are unexcused.
