

Alternate Ride Home from Sporting Events

Date of Sports Event: _____

Location: _____

Student Name: _____

Sport: _____

This form must be completed if athletes are not traveling back to New Covenant on the bus.

It is required to be turned in to the school office at least 24 hours prior to the scheduled game.

School provided transportation is expected to be used unless it causes a hardship for the family. In cases where the family is unnecessarily driving to return to New Covenant to retrieve an athlete on the bus, and it would be more convenient to get the athlete at the sports event and go directly home, this form is required.

My child will not be riding home from the listed game in school-provided transportation.

Parent signature: _____ Date: _____

If child is riding with someone other than parent(s), please name:

(Must be 18 years of age.)

**Alternate ride drivers must retrieve students at the end of the game or match.
Please report to the coach to notify him or her of departure.**

If the alternate driver does not retrieve the athlete by the time the bus or vans are ready to leave to come back to New Covenant, the student will ride on the school bus or vans to avoid delaying the entire team.

Photo ID may be requested by the coach.
