

How Can I Reach My Family Fundraising Obligation?

The fundraisers listed below are necessary fundraisers for New Covenant! However, we do offer the opportunity for some of the proceeds raised through these programs to be credited to your family fundraising obligation of \$300/student.

Any funds raised above your family fundraising obligation CANNOT be used for tuition, missions trips, hot lunch, another family's fundraising obligation, or used to pay any other bills due to NCCS.

These extra funds are important to preserve operations and enhancements of program offerings each year.

Year-Round Fundraisers:

1. SCRIP:

New Covenant family and friends have access to the easiest fundraiser ever – you can earn money for the school simply by shopping! By spending what you normally spend on food, clothing, entertainment, gasoline, and dining, you can make a financial contribution to the school. Gift cards are ordered nearly every Monday morning, and on-line purchasing is available. Go to www.raiseright.com for more details, and if interested in creating an account, request our enrollment code from the school office.

2. Volunteer at Hersheypark:

Individuals age 18 and older can volunteer at Hersheypark during certain hours that the park is open. Volunteers work a shift in the Rides or Foods department, and the school receives a donation that can go toward your fundraising obligation. Each shift worked also receives a voucher for a free one-day Hersheypark ticket, which the volunteer may keep. There is training required before you can volunteer. Watch your email for available dates and information.

Once-a-Year Fundraisers:

1. Pizza and Snack Sale

Information will be sent home during the first two weeks of school. Your account will be credited a set amount for each item sold.

2. Super Sub/Sandwich Sale

We will be having a sub/sandwich sale in January/February 2024. Information and order forms will be sent home after the Christmas Break. Your account will be credited a set amount for each item sold.

3. Race for Education

Race for Education is an annual fundraiser that involves all students, K4 - 12th grade, as they walk/jog/run for one hour around a designated area on campus. Students collect sponsors by submitting mailing labels and mailing postcards/emails; family fundraising accounts are credited 50% of the money raised per family. Race Day will be Friday, April 26, 2024.

Additional fundraisers are held throughout the year. Funds raised through those events (such as the Auction and Golf Tournament) do not get applied to the family fundraising obligation but are held to maintain normal operations of the school.

Your support for all New Covenant fundraisers is greatly appreciated!

If you have any questions about the fundraising opportunities listed above, please call the school office. Thank you!
